

Saturday Developmental Playgroup Mom N' Me

For children 18 months- 3 years

This playgroup will consist of 4 to 8 children and uses a variety of play based activities to promote the development of speech-language, social, play and cognitive skills. Weekly activities will be theme based and include free play, circle time, art and music time. The children will be exposed to a variety of pre-school routines and expectations. This is an ideal group for children receiving services through the Early Intervention Program.

Skills targeted:

- Parallel and turn taking play with peers
- Participating in structured and semi-structured tasks
- Increase use of speech within play, with peers and other adults
- Participating in a variety of multi-sensory activities with peers

This will also provide an opportunity for parents to meet with other families in the community. One adult is welcome to attend group per child.

If more family members wish to attend please let our staff know.

This group is conducted by our developmental therapist Anna Lapinski who has extensive experience in running groups with young children.
