# **Social-Language Group**

*Children 3-5 years of age*

This is a 60 minute group designed for children with developmental delay, speech language delay, pragmatic language disorder, sensory issues, social issues, ADHD, Autism Spectrum Disorder, etc. This group will have *3 to 6 children* and uses theme based free play, story time, art projects, snack time and music to promote the use of verbal language and social interactions.

## **Social-Language Skills Targeted:**

- Listening
- Turn taking
- Following directions
- Activity attention
- Eye contact
- Initiating verbal requests
- Vocabulary

The group is conducted by our speech-language pathologist Katie Traficanti. *It is recommended that if your child is under the age of four or has difficulty following routines that you attend the group with your child.*

**Time: Thursdays 3:00 to 4:00p**  
**January 5<sup>th</sup> through February 23<sup>rd</sup>**

**Each session is 8 weeks**

**Cost: \$175 (\$15 dollar registration fee and \$20 per group)**

**Location: Assential Therapies Inc., 241 Golf Mill Center, Suite 201, Niles, IL 60714**
